**What time should I plan to arrive?**

Our event site opens at 8 AM and we encourage you to come right on time! You will start with registration and/or check-in for those who are already registered. This is where you can pick up your fundraising incentives, purchase a 2024 Walk T-Shirt if you don't have one already, and get all your information for the day!

After that, head to the **Together with You** wall to share why you walk with Shatterproof and pick up your bracelet, which you will need for the Official Walk Program that starts promptly at 9:15am!

From there, we have designated space for those who are celebrating recovery to create their own wearable to celebrate their journey. We also have a designated space for those walking in memory of a lost loved one, if you would like to have a photo printed to wear on walk day to honor their memory, [please upload it here](#) (pin is 2524).

Finally, we will have our Community Resource Village up and running for you to meet local organizations supporting Shatterproof's mission, and the Shatterproof and You tent, where you can learn more about our work and meet our staff!

- Teal Bracelet: Living in recovery
- Purple Bracelet: Member of the community who is ready to end stigma and save lives
- Navy Bracelet: Love someone living with substance use disorder/addiction

### **How Can I get a Walk T-Shirt?**

This year, Shatterproof launched an early-bird registration for all in-person walks. Participants who registered on or before July 12 could start their fundraising with a \$35 self-donation that also guaranteed a 2024 Walk T-shirt.

For participants who opted into this opportunity, your Walk T-shirt will arrive at the address you provided at the time of registration before the end of September.

For anyone who was not able to opt in to this early bird registration opportunity, a limited number of Walk T-shirts will be available for purchase on-site on Walk Day for \$45 at the Registration and Check-In Area.
