REAL ESTATE EXECUTIVE EDITION

THURSDAY, NOVEMBER 14, 2024 | 8:00 PM - 6:00 AM
NEW YORK CITY AND FT. LAUDERDALE

WHAT IS SLEEP OUT?

Sleep Out is a global movement of people who accept the challenge to sleep outside for one night so that youth facing homelessness don't have to.

Sleep Out is not about pretending to be homeless. It's an act of solidarity and a demonstration to young people that you care - that you can't stay indoors while so many remain outside.

Real Estate Sleep Out participants spend the evening learning about youth homelessness and the life-changing opportunities that Covenant House provides the young people in our care. What makes Sleep Out unique is hearing directly from those who call Covenant House home before heading outside.

HOW DOES IT HELP YOUNG PEOPLE?

Sleep Out raises funds and awareness for Covenant House, an organization providing shelter and essential services to youth facing homelessness.

Sleep Out participants create a fundraising page upon registering and, leading up to the event, raise critical funds that allow Covenant House to offer safety, shelter, and support to young people facing homelessness 24/7, 365 days a year, in 34 cities across the United States, Latin America, and Canada.

By fundraising, Real Estate Sleep Out teams and participants become part of the solution for youth facing homelessness.

HOW CAN MY COMPANY GET INVOLVED?

Sponsor the Sleep Out and/or form a corporate team! Sponsors receive logo recognition on the website and signage, program recognition, inclusion in media and press releases, and sleeping bags for participants from your company.
