What about Rubi's story surprised you? What inspired you?

What does Rubi's experience of being trafficked reveal about the vulnerability of homeless youth? What other hardships do you think youth may encounter while on their own?

Covenant House provided the support and encouragement that Rubi needed to turn her life around. Who in your life has been there for you in your time of need? How is your life different because of this person or institution?

Rubi found stability at Covenant House, allowing her to have dreams and aspirations for her future. What are some of your dreams and aspirations? Are they similar to Rubi's?
