SLEEP OUT

EXPERIENCE CHECKLIST

Why can't I go straight to sleep?

Sleep Out is not a night of pretend. It is an opportunity to learn about what causes homelessness, advocate for change, and destigmatize what it means to be homeless (not so fun fact: nearly 1 in 10 young people in the United States will face homelessness, which means you probably know someone who has or will be unstably housed in their lifetime).

Learn about youth homelessness

Select an issue and read about how it affects youth experiencing homelessness:

- Affordable housing
- Justice system
- Pregnant & parenting youth
- Foster care
- LGBTQ+ youth
- Racial discrimination
- Human trafficking
- Physical & mental health
- More reading
