

# Take a Pic of Your Passport Photo Page

---

1. Open your passport to the photo page, as seen below.

2. Set it down on a flat surface with a plain background.

3. Make sure there is good lighting with no shadow or glare on your passport.

4. Make sure the numbers are legible and the photo is clear.

5. Take the photo and send it!

6. Relax and feel one step closer to your TWV Vision Trip!
