

“50 Days for 5000 Lives” Text to Sponsor a Child Template

Hey **(INSERT FIRST NAME)**, are you familiar with child sponsorship through World Vision? The reason why I am asking is because I am **(INSERT EVENT AND WHEN, example: hiking the Grand Canyon in October)** and have committed to inviting people to sponsor a child through World Vision. I sponsor **(# of kids)** child**(ren)** and the precious relationship I have with **(him/her)**, on top of the exponential impact it has on **(him/her)** and their community, has been the one of the best investments I have made, at only \$39/month.

From now till the end of September, when you sponsor a child, an emergency relief kit that includes meals for a week, hygiene supplies, stationery, books and more will be given to a family of five in the United States affected by COVID-19. When you sponsor a child, 10 people locally and globally will benefit from your sponsorship!

Would you consider sponsoring a child or learning more? In the meantime, feel free to check out my story on this page **(link to personal fundraising page for TWV)**.
