

DIY MONEY ORDER FORM

If you collect cash donations at your event from donors who would like to receive tax acknowledgement from the V Foundation, please convert the donations into a single money order or bank check. Please complete all fields of this form for each donor to allow us to identify the donors whose donations are included in the order. This form will allow us to properly acknowledge your supporters who made cash donations to your event. *Please note that we cannot acknowledge cash donors if their donations are converted into a personal check from the event organizer.*
