IMPAIRED DRIVING ENDS HERE.

Partnership Opportunity

You can join Mothers Against Drunk Driving in the fight against impaired driving and play a key role in keeping our roads safe. Not only would your partnership help MADD fulfill its mission to stop drunk driving, help fight drugged driving, support victims, and prevent underage drinking, it also provides unparalleled exposure for your company showing our victims/survivors, volunteers, law enforcement, government partners, and supporters that YOU care enough to make a difference!

We need your help to create a world where impaired driving ends and lives don't.

WALK LIKE MADD

Walk Like MADD is our signature fundraising event to help us raise both awareness and funds to eliminate drunk driving and fight drugged driving.

Many who participate have a common bond: they know someone who has been injured or killed in a drunk or drugged driving crash, or they feel strongly about ending impaired driving. Each year, more than 90 cities across the nation host Walk Like MADD events. With every step taken and each dollar raised, we support MADD's lifesaving mission to keep our families and communities safe.

"It made me realize what could really happen, even though I thought it could never happen to me."

A new law in Tennessee, effective for any crash from 1/1/17 going forward, is tougher on offenders and supports victims by providing greater justice in Vehicular Homicide cases. Where does the money go that you raised for Walk Like MADD?

To advocate for laws that improve DUI legislation like this one which passed in Tennessee in 2017 that took all-probation sentences off the table for Vehicular Homicide cases.

New law says offenders can no longer receive probation in drunken-driving deaths

Where does the money go that you raised for Walk Like MADD?

To advocate for laws that prevent underage drinking like this **Vertical License Law** that passed in Tennessee in 2017!

Here is a sample of what MADD does with the funds raised for Walk Like MADD in Tennessee.

April 8, 1985 - December 14, 2007

Trevor was a loving and amicable teenage boy. He was well liked by most, and he probably missed by all that had the privilege to know him. Trevor left behind an older brother Devin, age 38, who has been completing a teenage quest in Crystal, UT, to have the land he wanted as a tribute to his brother.
