My Story Donations Settings

**Why am I walking?** I am participating in Easter Seals' Walk With Me because I want to spread hope and raise funds to help individuals and families living with all types of disabilities.

For 70+ years Easter Seals Greater Houston has helped veterans adjust to civilian life with service dogs and mental health services, taught infants with developmental delays how to walk and talk, given children with cerebral palsy a sense of community through camps and play groups, mentored teens with autism so they can feel prepared and empowered to enter the workforce, and so much more! Easter Seals is an essential partner in providing help, hope and answers to our loved ones with disabilities.

Please join me on this journey so Easter Seals can continue providing life-changing services to the 14,500+ veterans, service members, and children and adults living with all types of disabilities served each year in the Greater Houston community.
