

To ensure the safety of riders on the tour and allow vendors, volunteers, medical vehicles, refrigerator, and luggage trucks to maneuver as needed, we are asking all teams and riders follow these guidelines.

Lunch Locations Policy:

RVs, Buses, Campers, and Trailers will not be allowed at lunch stops. We need to reserve the parking lot space at these locations for riders to safely enter and exit and for our official Make-A-Wish[®] Michigan Crew Vehicles. If we see these vehicles at any of the lunch locations, they will be asked to leave.

Overnight Locations Policy:

There will be designated spots at each overnight location for RVs, Buses, Campers and Trailers. You will only be able to park in these designated spots. Please see maps below. These lots will be marked with Wish-A-Mile. If any of the above vehicles parked in the wrong parking lot area or parking lot, they will be asked to move to the designated area or lot.

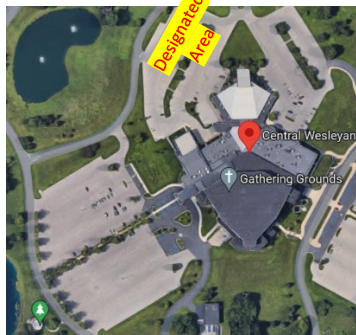

Marshall High School:

RV's, Campers, Buses & Trailers must park in **designated area** on map. All other locations parking is not permitted.

Central Wesleyan Church:

RV's, Campers, Buses & Trailers must park in **designated area** on map. All other locations parking is not permitted.

The Point Community Center: Centerpoint Church:

RV's, Campers, Buses & Trailers must park in **designated area** on map. All other locations parking is not permitted.
