

GLOBAL 6K FOR WATER

As Jesus stated in Matthew 10:42 (NIV), **“If anyone gives even a cup of cold water to one of these little ones who is my disciple, truly I tell you, that person will certainly not lose their reward.”**

WHAT IS GLOBAL 6K FOR WATER?

A global movement where we come together to walk or run six kilometers and raise funds that will provide clean water to vulnerable children and their communities.

Funds raised will go towards providing clean water for communities in Africa.

WHY 6 KILOMETERS?

It's the average distance that people — typically women and girls — have to walk daily to get water for their families, and that water is usually unsafe to drink. Over 1,300 children die each day due to diarrhea¹ caused by unsafe water and poor sanitation and hygiene. **Every step you take is one they don't have to.**

ABOUT WORLD VISION

World Vision is **one of the Top 10 International Impact Charities of 2022²** and is the leading non-governmental provider of sustainable clean water in the world. Working with communities in more than 100 countries in the developing world, we are reaching one new person every 10 seconds and three schools every day with clean water. This is only possible with support from you and our other generous donors.

WHAT OUR CHURCH PARTNERS SAY

“This annual event has raised awareness of the needs of even just the basic necessities of life for millions all around our world. We may never meet the actual people who benefit directly from our fundraising, but we have already been rewarded by our Lord in the joy, fellowship and unity that our church has experienced through our annual efforts in this area. We thank God for World Vision and this ministry, and look forward to participating every year!”
